### The Gresham

Part of a £17 million investment package and redevelopment of the former Fenwick Building in the City Centre. The redevelopment will see it converted into a 121-bedroom luxury, short stay aparthotel, bar and restaurant.

The approved design reconfigures an area of some 30,000 sq. ft to include bar, gym, conference rooms, start-up office space and independent commercial units. Due to be open from late summer 2021.
